

Hotels & Resorts

There are many choices of hotel accommodation for the traveller to Barbados from large, sprawling complexes to small, intimate establishments.

There is the super-luxurious Sandy Lane Resort in St. James, as well as the all-inclusive Port St. Charles and the family-oriented fun of Almond Beach Resort, both in St. Peter.

Then there are the smaller and equally luxurious properties like the Savannah Hotel in Christ Church, or the cosy cabana-like hotel at Little Good Harbour in St Lucy.
